Christ in the Old Testament

Jesus Christ is God's final, perfect, incomparable Word—His only Word for man. Finding Christ is the key that unlocks the message of the Scripture, including the Old Testament. The message of Christ in the Old Testament is discernible and discoverable. The objective of this course is to establish and illustrate the necessary principles of interpretation for discovering what the Old Testament reveals about Christ. Searching for Christ in all the places God has revealed Him is not a vain game of hide and seek; it is a sure thing. It is seeing Christ that removed the veil in reading the Old Testament.
